

REMARKS

Applicant respectfully requests entry of this amendment under 37 C.F.R. 1.312.

Applicant respectfully submits that the first use of the term "for testing" in claim 1 above was mistakenly included in the Examiner's amendment of May 31, 2007 and, hence, was not authorized by Applicant. Nevertheless, in a communication with the Examiner, the Examiner recommended that Applicant file this amendment to resolve the issue. Applicant thanks the Examiner for his recommendation and respectfully requests that claim 1 be amended to remove these two words, as shown above.

Respectfully Submitted,
